Position # 9999-0357
Marketing/4-H Extension Agent I or II (Courtesy)
Brevard County (Central District)
Palm Bay, Florida
Deadline: Review of application materials will begin on February 5, 2007 and will continue until position is filled. Anticipated start date is March 5, 2007.

All applicants must submit an application with the UNIVERSITY OF FLORIDA, FLORIDA COOPERATIVE EXTENSION SERVICE for the following position.

DO NOT APPLY WITH BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS.

The WEB SITE has applications and all the information needed to apply for this position: http://personnel.ifas.ufl.edu/pjobs.html

Job Summary

This position will carry a 50% marketing and a 50% 4-H responsibility.

This position will work with agents in all disciplines to develop a comprehensive marketing program for the Brevard County Extension service. This will include developing a marketing education program to include: developing promotional information, working with various media outlets, and developing a uniform marketing image for Brevard County Extension Service.

In the area of 4-H, the Agent will be part of a team effort in the planning, implementation and evaluation of the County 4-H Program. This includes providing organizational leadership for selected 4-H subject matter programs. The Agent will work in cooperation with the 4-H Program Leader, other 4-H/Youth Agents as well as other faculty with 4-H responsibilities in Brevard County.

The Agent will also assume other responsibilities as assigned by the County Extension Director or the District Extension Director.

This position is located at the Brevard County Extension Office in Palm Bay on the Central Florida coast with a county population of 530,000.00

REQUIREMENTS
